VESICON-2026

5–7 Oct • IEVS Annual International Conference
8–9 Post-conference workshop

Where Vesicle Science Meets Clinical Innovation

**IEVS Annual International Conference
and Post-Conference Workshop**

Organized by:

Indian Extracellular Vesicle Society (IEVS)

Venue:

**All India Institute of Medical Sciences (AIIMS)
New Delhi, India**

October 5–7, 2026

**Post-Conference Workshop
October 8–9, 2026**

PartnerwithIndia's Premier Extracellular Vesicle Conference

- ✓ VESICON 2026 offers a highly targeted platform to position your brand at the forefront of extracellular vesicle (EV) research, diagnostics, therapeutics, and biomanufacturing.
- ✓ Hosted at AIIMS New Delhi, this international conference connects 500+ scientists, clinicians, innovators, policymakers, and industry leaders working at the cutting edge of translational medicine.
- ✓ Sponsorship at VESICON 2026 goes beyond logo visibility - it delivers direct engagement, qualified leads, scientific credibility, and long-term brand recall within India's rapidly expanding EV ecosystem.

Reach the Right Audience

- # 500+ highly specialized delegates: PIs, clinicians, Facility heads, etc.
- # Decision-makers from academia, hospitals, startups, and government agencies
- # International speakers and collaborators

Maximize Brand Visibility

- # Prominent branding across conference halls, exhibition spaces, and networking areas.
- # Logo presence in all major promotional channels (print, digital, on-site)
- # Visibility during high-footfall networking sessions, meals, and workshops

Why Sponsor VESICON 2026?

Generate High-Quality Leads

- # Direct interaction with potential customers and collaborators
- # Access to pre- and post-event delegate contact list (as applicable)
- # Live product demonstrations to an informed and relevant audience

Position Your Brand as a Leader

- # Sponsor talks and technical presentations
- # Association with AIIMS, DBT, DST, IEVS, and globally recognized EV experts
- # Opportunities to showcase innovation during dedicated sponsor sessions

Welcome to VESICON 2026

“Where Vesicle Science Meets Clinical Innovation”

It is our pleasure to welcome you to **VESICON 2026**, the **second annual conference of the Indian Extracellular Vesicles Society (IEVS)**, to be held at **All India Institute of Medical Sciences (AIIMS), New Delhi**, from **October 5-7, 2026**.

Hosted at one of India's most prestigious medical and research institutions, VESICON 2026 underscores our commitment to advancing the **translation of extracellular vesicle (EV) science from bench to bedside**.

The conference will bring together **500+ scientists, clinicians, innovators, and industry leaders** to explore emerging **advances in EV-based diagnostics, therapeutics, regulatory science, and commercialization**. Through plenary sessions, interactive workshops, poster presentations, and live technology demos, VESICON 2026 will foster meaningful dialogue and collaborations that shape the future of precision and regenerative medicine.

The program also features **technology showcases, startup pitching, and B2B networking**, creating a strong interface between academia, clinics, and industry. Set in New Delhi, a city where heritage meets innovation, the conference offers a vibrant cultural backdrop alongside scientific exchange.

Website: <https://www.vesicon2026.com> Join us at VESICON 2026 to connect, collaborate, and contribute to the next generation of vesicle-based healthcare solutions.

Welcome to New Delhi. Welcome to AIIMS. Welcome to VESICON 2026.

Venue: JLN Auditorium, All India Institute of Medical Sciences (AIIMS), New Delhi, India

Dates: October 5-7, 2026

Post-Conference Workshop: Oct 8-9, 2026

Email: info@vesicon2026.com

Phone Number: +91-11-2654240

Indian Extracellular Vesicles Society (IEVS)

Established in September 2023, the **Indian Extracellular Vesicles Society (IEVS)** is India's pioneering professional body dedicated to advancing **extracellular vesicle (EV)** research, translation, and innovation.

IEVS serves as a national platform that unites scientists, clinicians, academicians, industry leaders, and policymakers to strengthen the **EV** ecosystem and accelerate the translation of **EV** science into healthcare and commercial applications.

IEVS successfully organized its first annual conference, **VESICON 2025**, which marked an important milestone in bringing together the Indian EV community on a single platform. **VESICON 2025** facilitated scientific exchange among researchers, clinicians, and industry stakeholders, highlighted emerging **EV** technologies, and laid the foundation for sustained academia–industry–clinical collaboration in India.

For the research community, **IEVS** promotes interdisciplinary collaboration, methodological rigor, and capacity building through conferences, workshops, and training initiatives. **In the clinical domain**, the Society fosters bench-to-bedside translation by encouraging the development of **EV-based diagnostics, biomarkers, and therapeutics relevant to precision and regenerative medicine**.

For industry and startups, **IEVS** provides a strategic interface for collaboration, technology validation, and commercialization, supporting innovation and regulatory readiness.

With a clear vision to position India as a global leader in extracellular vesicle biology and translational research, IEVS continues to drive impactful discoveries that benefit science, healthcare, and industry alike.

Hyderabad

Dr. Kenneth W. Witwer

ISEV President, Associate Professor of Molecular and Comparative Pathobiology and Neurology, Johns Hopkins School of Medicine, USA

Dr. Jasson Webber

Associate Professor Biomedical Sciences, Swansea University, United Kingdom

Dr. Basant Kmaur Thakur

Faculty member and Group leader, Cancer exosomes biology University Hospital Essen, Germany

Dr. Suresh Mathivanan

Professor, Department of Biochemistry La Trobe University, Australia

Prof. EM Krämer-Albers

Group leader at Johannes Gutenberg University Mainz, Germany

Dr. David W. Greening

Director of the Proteomics and Metabolomics Platform, La Trobe University, Australia

Dr. Michiel Pegtel

Assistant professor at the VU University Medical Center Amsterdam, Netherlands

Dr. Deborah Goberdhan

Associate Professor of Cell Signalling, University of Oxford, United Kingdom

Dr. G Taru Sharma

National Institute of Animal Biotechnology, Hyderabad, India

Dr. Swasti Tiwari

SGPGI, Lucknow, Division of Molecular Medicine & Biotechnology, India

Dr. Nooruddin Khan

Professor, Department of Animal Biology, University of Hyderabad, India

WHO SHOULD ATTEND?

VESICON 2026 welcomes a vibrant community of **innovators, visionaries, and future leaders (>500 delegates)** in extracellular vesicle research and translational science.

Participants include:

- Faculty, Scientists, C Principal Investigators
- Ph.D. Scholars C Post-doctoral Fellows
- Graduate Students
- Industry Professionals C Start-ups
- Government Officials C Policymakers
- NGOC Healthcare Representatives

Join this diverse network of **scientists, clinicians, entrepreneurs, and decision-makers** who are shaping the **future of extracellular vesicle science and precision healthcare** in India and beyond.

WHY ATTEND?

Step into the future of Extracellular Vesicle (EV) Science at **VESICON 2026 — a global platform where discovery meets innovation**. Engage with world-renowned scientists, clinicians, and industry pioneers as we explore groundbreaking advances in EV-based diagnostics, therapeutics, and biomanufacturing. This is your opportunity to showcase your research, exchange transformative ideas, and forge collaborations that accelerate the translation of EV science into real-world healthcare solutions.

At VESICON 2026, you will:

- ✓ Gain exclusive insights into **next-generation EV technologies** shaping precision and regenerative medicine.
- ✓ **Connect with global leaders** driving innovation at the intersection of academia, industry, and clinical practice (**>500 delegates**).
- ✓ Participate in **interactive workshops and specialized sessions** designed to enhance your technical and translational skills.
- ✓ Discover **networking opportunities** that spark collaborations and future partnerships.
- ✓ Be part of India's mission to position itself at the forefront of EV research and clinical innovation.
- ✓ Join us in New Delhi to be inspired, contribute, and connect — as we collectively shape the future of healthcare through vesicle science.

SPONSORSHIP OPPORTUNITIES

Benefits	Diamond (₹5,00,000)	Platinum (₹4,00,000)	Gold (₹3,00,000)	Silver (₹2,00,000)	Bronze (₹1,00,000)	Exhibitor (₹50,000)

Sponsorship Benefits Descriptions

◆ DIAMOND SPONSOR - ₹5,00,000

Maximum Visibility | Premium Exclusivity | Strategic Influence

Designed for organizations seeking **market leadership and category dominance.**

Key Benefits:

- ✓ Largest **prime exhibition space (8×6ft)** in premium location
- ✓ **Unlimited full-access registrations** with kits and badges
- ✓ **Exclusive sponsor presentation session** to the full audience
 - ✓ Sponsor session with **hosted lunch**
- ✓ Logo recognition on: Conference stage visuals, All major promotional materials, Official conference website
- ✓ **6 standee panels** across high-visibility areas
- ✓ **Two branded slideshows (5min each)** during lunch/tea breaks
 - ✓ Free **brochure/leaflet placement** in registration kits
 - ✓ Access to **pre- & post-event delegate contact list**
 - ✓ Priority booth selection & branding support
- ✓ **Preferred category exclusivity (where applicable)**

PLATINUM SPONSOR - ₹4,00,000

High Visibility | Strong Engagement | Premium Positioning

Ideal for companies seeking **lead generation and strong brand presence.**

Key Benefits:

- ✓ Prime exhibition space (6×6 ft)
- ✓ **8 complimentary full-access registrations**
- ✓ Dedicated **sponsor presentation** with hosted lunch
- ✓ Logo on all conference promotional platforms
 - ✓ **4 standee panels** at the venue
- ✓ **One branded slideshow (3 min)** during breaks
- ✓ Free brochure/leaflet placement in registration kit
 - ✓ Access to delegate contact list
 - ✓ Priority booth allocation

SILVER SPONSOR - ₹2,00,000

Targeted Exposure | On-site Brand Presence

Best suited for companies seeking **focused visibility.**

Key Benefits:

- ✓ Exhibition space (3×6 ft)
- ✓ **3 complimentary registrations**
- ✓ Logo on selected conference materials
- ✓ **Two standee roll-up banners** at the venue
- ✓ Recognition on conference website

GOLD SPONSOR - ₹3,00,000

Best Value | High ROI | Strong Brand Recall

Perfect balance of **visibility, engagement, and affordability.**

Key Benefits:

- ✓ Preferred exhibition space (4×6 ft)
- ✓ **5 complimentary registrations**
- ✓ Sponsor presentation with poster display
- ✓ Logo recognition across conference materials
 - ✓ **2 standee panels** at the venue
- ✓ **One branded slideshow (2 min)** during breaks
- ✓ Free leaflet placement in registration kit
- ✓ Pre- & post-event brand recognition
- ✓ ★ **Most Popular Sponsorship Tier**

BRONZE SPONSOR - ₹1,00,000

Entry-Level Presence | Cost-Effective Branding

Ideal for startups or first-time exhibitors.

Key Benefits:

- ✓ Exhibitor presence with branding visibility
 - ✓ **2 complimentary registrations**
- ✓ Logo listing in conference program
- ✓ **One roll-up banner** in lunch/networking area

ADDITIONAL BRANDING OPPORTUNITIES (Available to sponsors & exhibitors)

Back cover full page (Color)	Rs. 1,00,000
Second cover full page (Color)	Rs. 75,000
Third cover full page (Color)	Rs. 50,000
Color Full page	Rs. 35,000
Black & White full page	Rs. 25,000
Black & White Half page	Rs. 15,000

Exhibition Space Highlights

❖ Premium Zones:

- ✓ Foyer near JLN Auditorium (maximum delegate traffic)
- ✓ Allocated to Diamond, Platinum, and Gold sponsors (first-come basis)

❖ Standard Zones:

- ✓ Cafeteria and community areas with consistent footfall
- ✓ Allocated to Silver, Bronze, and Exhibitors

LIMITED AVAILABILITY - ACT EARLY

Prime exhibition spaces are limited

**Sponsorships allotted on a first-come, confirmed-
payment basis**

**Early sponsors receive priority booth selection
and maximum visibility**

SPONSOR'S ROI SNAPSHOT

VESICON 2026 | AIIMS New Delhi

Targeted Reach

500+ EV-focused delegates
65% researchers C PIs | 20%
clinicians | 15% industry
India + USA | Europe | Australia

High-Impact Visibility

Brand exposure **before, during s**
after the event

Logos across venue, website, kits
C digital promotions
Prime exposure during lunch, tea
C networking sessions

Lead Generation

Face-to-face booth interactions
Live demos to informed users
Access to delegate contact list*

Recruitment
Brand recall beyond the
conference

High relevance
Strong credibility
Measurable ROI

VESICON 2026

Day 1: 5th Oct 2026

Theme: EV Biology, Biomarkers, and Diagnostics

Core topics include foundational EV biology, isolation, characterisation, and diagnostic applications. Sessions cover clinical biomarker discovery, EVs in personalised medicine, and future EV diagnostics and imaging trends.

Highlights: Poster session, Mentor-Mentee Networking, Opening Ceremony, and Networking Dinner.

Day 2: 6th Oct 2026

Theme: Therapeutics, Drug Delivery Systems, and Vaccines

Focus on EV applications in drug delivery, regenerative medicine, and vaccines. Additional sessions include innovations in EV manufacturing and cross-disciplinary approaches with materials science and bioengineering.

Highlights: Poster session, Industry-Academia Networking, New Delhi Cultural Tour, and Networking Dinner.

Day 3: 7th Oct 2026

Theme: Regulatory Pathways, Standards, and Commercialization

Topics include commercialization strategies to move EV products to market, regulatory challenges, and EV

technology. Sessions focus on ethics, public engagement, and AI applications in EV research.

Highlights: EV Startup Showcase, Roundtable on Future Trends, Closing Ceremony, and Dinner.

POST-CONFERENCE WORKSHOP

Day 1: 8th Oct 2026

Theme: EV Isolation and characterization

A combination of EV isolation techniques (UC, SEC, CP, etc.) followed by characterization techniques (TEM, NTA, etc.) for efficient **isolation, purification, and comprehensive characterization** of extracellular vesicles.

Day 2: 9th Oct 2026

Theme: EV Applications: Diagnostic and Therapeutic

To advance translational applications, **animal models, mesenchymal stem cells (MSCs), and drug-designing approaches** will be utilized for exploring the **diagnostic potential and therapeutic efficacy** of extracellular vesicles in disease modulation and targeted treatment.

Highlights:

- Hands-on-training
- Discussion with Experts

Exhibition & Technology Showcase (Day 2 & Day 3) Designated space for exhibitors to showcase the latest EV tools, software, and devices, giving sponsors and innovators a chance to present cutting-edge technology to attendees.

Important Dates and Deadlines

Action Item	Deadline
Early Sponsorship Sign-Up	30 April 2026
Booth Selection	Aug- Sep 2026
Final Sponsorship sign up	5 Sep 2026
Exhibitor Move-in	4 Oct 2026(3:00PM)
Event dates	5 - 7 Oct 2026(8- 10 Oct Workshop)
Exhibitor Move Out	8 or 10 Oct 2026
